# d-COLORMF25 *plus*

MULTIFUNCTION COLOUR DIGITAL SYSTEM

## ALL THE ADVANTAGES OF COLOUR COMMUNICATION PLUS THE EFFICIENCY OF NETWORKING

Outstanding versatility and advanced functionality on a colour digital device for advanced users, looking for an all-round communication tool.

### MAIN CHARACTERISTICS

PRINTER, COPIER, SCANNER	INNOVATIVE MODULAR FINISHER
POSTSCRIPT 3 EMULATION	ADVANCED BY-PASS WITH AUTOMATIC FORMAT RECOGNITION
1024 MB RAM AND 40 GB HARD DISK	OPTIONAL FAX AND INTERNET FAX
DUPLEX FOR PAPER WEIGHT UP TO 256 g/m <sup>2</sup>	BANNER PRINTING UP TO 120 cm

#### MULTIMEDIA

**Outstanding print quality** combined with no-compromise multimedia capabilities are the distinguishing features of the Olivetti d-Color MF25 *plus*. The scan function supports scan-to-eMail, scan-to-FTP, scan-to-SMB and scan-to-Box.

**Multi-page documents** can be **scanned in a single pass**, with the optional automatic document feeder and **automatically converted** into PDF format.

For particularly hard copies, the **compact PDF format** offers additional reduction.

The **address book** stores up to **2,100 addresses**, for quick and efficient distribution of scanned files.

#### CREATIVITY

The d-Color MF25 *plus* is an invaluable tool for creativity: it handles paper and card weight up to 256 g/m<sup>2</sup> in front/back mode, as well as envelopes, labels and transparencies.

With the **multi-page enlargement function** images can be printed in poster size, on a combination of 16 A3 sheets of paper. For creative mailing campaigns and production of promotional materials, the **banner function prints** banners up to 120 cm long.

The optional embedded finisher gives a **professional finishing touch** to any document: manuals, leaflets and reports can be folded, stapled and punched in real time.

EMBEDDED FINISHER with stapler and additional bin

Ergonomic **KEYBOARD** with LCD display

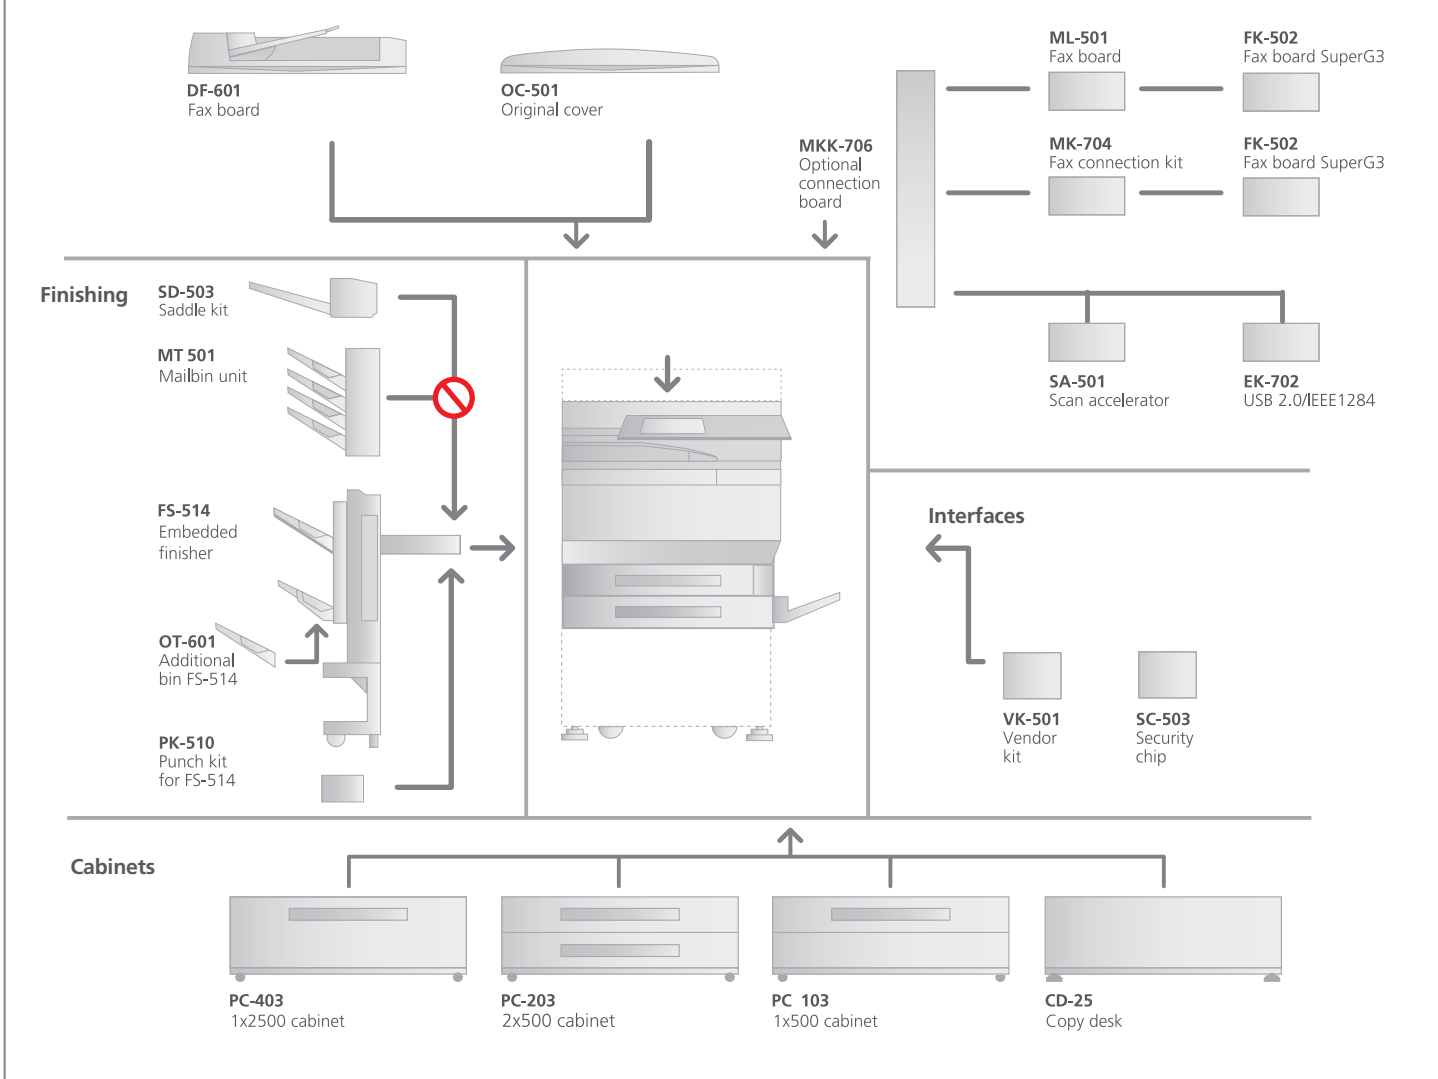

### EASY TO USE

Simple and intuitive, the d-Color MF25 *plus* provides a **range of features** for **quick and easy document creation**. The automatic paper selection function chooses directly the right format for the original or the current job.  
 The automatic paper-tray switch function changes input to the next tray if the paper runs out, for uninterrupted production.  
 Copy, print and scan job programmes can be stored and recalled at the touch of a button.

### COST REDUCTION AND CONTROL

Transparent cost control and allocation are guaranteed by a **management system** that counts the pages produced by individual users or departments.  
 Therefore, **costs can be easily allocated to the relevant cost centres**, avoiding complex and costly accounting procedures.  
 Thanks to the **Network Management Utility**, all these settings can be controlled via web.
